Guest Speaker  
David Cable

### **TOPICS**

- ❑ “The Evolution of the Aircraft Carrier and Naval Aviation” - from the USS Langley (CV-1) to the USS Gerald R. Ford (CVN-78) - significant innovations and the people who led the way.
- ❑ The establishment of a Vietnam Veterans Memorial Park at the Museum of Flight - its purpose and concept, the renovation and movement of the B-52 centerpiece, and ultimately the dedication ceremony - all within the scope of an effort titled “Project Welcome Home.” .... sponsored by the Museum of Flight.
- ❑ A short personal story about my experience flying the A-6 Intruder from the USS Enterprise over N. Vietnam. (100 Missions)
